CAFE & WINE BAR

Adventures On The Trail Of The Habsburg Empire Cheese + Wine Tasting Pt. 2

**Saturday, 7 August from 2pm to 4pm
\$35 pp (excluding tax and gratuities)**

Because, when you taste 290+ wines in two weeks, there is so much deliciousness to share. Come back for round two of this series to explore the northern route of Owner + Wine Director Christopher Losa's travels. Wine regions discussed and tasted include Slovenian Karst, northern Hungary, inland Croatia, and eastern Austria. Cheeses presented by Daphne Zepos of The Essex Cheese Company will feature those from geographically/historically connected areas (southern Germany, Adriatic Italy, and northern Greece) to ensure taste quality, interest, and to spur conversation about the connections and relations of the cheese-making history and viniculture of the general region. Cheese highlights: a Venetian Asiago washed in red wine and real Munster from Germany.
